

Saviour Chem Pro Gloves

Model No.: HNPSAV-CP

General Description:

- Available in a wide selection of lengths, thicknesses, sizes and linings, the Saviour Chem-Prone nitrile glove is designed to deliver optimal results in wet or dry work environments where chemical resistance is crucial. Fully reusable, with an unequaled abrasion resistance, it provides superb comfort for the wearer.
- Chem-Pro nitrile gloves are the ideal choice for safe handling in a wide range of work environments where harsh chemicals are present.
- The cotton-flock liner to the glove, combined with the flexibility of the nitrile film, offer exceptional comfort for the wearer. The reversed lozenge finish further enhances levels of grip.
- The sand patch finish gives the glove a smooth surface that decreases indirect costs thanks to fewer rejects of fragile parts.
- The Chem-Pro glove has a longer length than standard, extending protection further to the wrist and lower forearm area.

Primary Industries:

-  Automotive
-  Building & Construction
-  Metal Fabrication
-  Agriculture & Viticulture
-  Glass
-  Chemical

Specifications:

- Coating material : Nitrile
- Liner material : Flocked
- Grip Design : Sand Patch
- Cuff Style : Gauntlet
- Thickness MIL : 15
- Colour : Green
- EN SIZE : 7, 8, 9, 10
- Length in MM : 330
- Packaging : 144 pairs/Carton

Certifications:

EN 388-4101 EN 374:2003 JKL

EN 420

Applications: Agrochemicals | Chemical processing and preparation | Metal fabrication | Printing industry | Refining - Oil & Petro
